“Your positive action combined with positive thinking, results in success.”

Dear Parents

Greetings!

Richard Bach says, ‘What the caterpillar calls the end of the end of the world, the master calls a butterfly.’

With immense gratification & fulfillment, we are about to complete another academic session 2023-24 on a successful note.

In addition to our regular annual programs and plans designed to groom for students holistically, this year was filled with numerous significant moments that made it truly unique and unforgettable.

The State Teacher’s Award, bestowed upon our Principal, Ms. Shalini Arora, by the Government of Delhi, is truly a remarkable achievement and is indeed a matter of immense pride for all of us.

The young VVDAVians also brought laurels in different inter-school, zonals, districts and national and international level competitions organised by CBSE and other agencies.

In sports, VVDAV bagged the Best ATL School Award and the Bayer Empower Innovation Summit 2023. The school bagged Gold Medal in All India DAV National Rope Skipping Tournament, Silver Medal in All India DAV National Cricket Tournament and Bronze Medal in All India DAV National Badminton Tournament. The Cricket Team of the school has also been selected to play for School Games Federation of India.

The mega event, the ‘DAV United Eco-Vibe Sustainability Fest’ to promote environmental awareness and sustainable practices was yet another highlight of the year.

Now it is time for the year and examination. We wish the students remain composed and prepare well and stay away from undue stress.

- Students must carry their pencil box and required stationery items, light lunch/ snacks and water bottle on the day of examination.
- Parents must take a note of the days when students have exams. Do NOT send your ward to school on non-exam days.
