

HOME ASSIGNMENT SUMMER VACATION 2019

CLASS- X

Q.N. 01 .Define electric current and potential. Write its unit.

Q.N,02. What is ohm law ? write its mathematical formula and verification .

Q.N.03 Write factors on which resistance and resistivity depends .

Q,N. 4. Write difference between resistance and resistivity.

Q.N.05. Do numerical based on series and parallel combination of resistor.

Q.N.06. What is heating effects of electric current .Write its application.

Q.N.07. DO exercise problems from NCERT BOOK.

N K SINGH.
