

Dear Parent

Good luck for your ward's pre board exams. We have ensured that transport facility is available to all those children who avail of the school transport. The buses will ply from the first stop at 8.45 am. No child will be allowed to enter the school premises before 9.00 am. All on foot children and children coming by vans, private transport etc kindly take note of the above timings.

The children should be in proper uniform which includes their hairstyle, shoes, id cards. No mobile phones should be carried by students, else the device shall be confiscated and returned only at the end of the session.

All the above instructions are to be duly followed as we are building a nation of worthy citizens and together we can achieve much.
