(Any other relevant points must be suitably awarded)

Q.NO	Value points	Marks allotted	Total marks	Text book page no
1	a. Carbon dioxide	1	1	Pg26
2	Krishnadevaraya had a group of eight celebrated intellectuals, known as Ashta Diggaj	1	1	Pg111
3	c. Shah Jahan	1	1	Pg124
4	Option-a. Both (A) and(R) are true and (R) is the correct explanation of (A) .	1	1	Pg127
5	Polio Drops, ORS, etc	1	1	Pg176
6	<p>Hot desert</p> <ul style="list-style-type: none"> • Located on the Western margin of the continents. • Temperature remains very high throughout the year in this region. • Cactus shrubs bushes are common vegetation • Example- Sahara, Thar desert <p>Cold desert</p> <ul style="list-style-type: none"> • located around the polar region. • Temperature remains below freezing point in this region. • It comprises of mosses and lichens <ul style="list-style-type: none"> • Example – Northern parts of Siberia (Russia) and northern part of Canada 	3	3	Pg43
7	<p>Administrative reforms of Vijaynagar Empire:</p> <ul style="list-style-type: none"> • The head of the state was the King. • He was the chief of administration, army and judiciary. • He ruled with the help of a Council which included eminent nobles appointed by him. • The Council could advise the king but the king was not bound to act upon it. 	3	3	Pg111
8	<ul style="list-style-type: none"> • Humayun inherited an empty treasury • He had to face opposition from his brothers, relatives Afghans and Rajputs. • He was addicted to opium • He lacked military ability. <p>(Any three)</p>	3	3	Pg120 & 121
9	<ul style="list-style-type: none"> • Advertising creates stereotype attitude for example, some advertisement show family sitting on the table and the women cooking the food 	3	3	Pg178

	<ul style="list-style-type: none"> Some advertisement creates distance between rich and poor for example many people cannot afford branded items and this starts developing a feeling of inability. Advertising creates gender discrimination for example women buying vegetables and men buying computers. 			
10	<p>Positive effects of advertising are-</p> <ul style="list-style-type: none"> It enables us to afford luxuries at a reasonable price. It makes us aware of our responsibilities towards the society. It changes the attitude and behaviour of the public and brings positive changes in the society. 	3	3	Pg177
11	<ul style="list-style-type: none"> As the hot air rises it reaches high in the atmosphere where it cools down due to the presence of low temperature there. The water present in the form of water vapour condenses into tiny droplets of water or crystals of ice. In the course of time these droplets become so heavy that the air cannot hold them and hence they fall down as rainfall. 	3+2	5	Pg28
12	<ul style="list-style-type: none"> Due to rapid increase in population of the world the areas under forest are fast decreasing. A few species like tiger lion etc are facing the danger of extinction. The pollution level in different countries is rising alarmingly. Few glaciers have also started melting in the polar ice -caps. <p>(Any two)</p> <p>Steps</p> <ul style="list-style-type: none"> Afforestation should be taken up on a large scale Hunting of animal should be strictly banned The government has set up national parks, wildlife sanctuaries and biosphere reserves . 	2+3	5	Pg44&45

13	<p>Factors Responsible for the downfall of the Mughal Empire:</p> <ul style="list-style-type: none"> • Aurangzeb’s religious policy turned the Rajputs, Sikhs and Marathas against him. • His weak and inefficient successors could not control internal rebels and foreign invasions. • Corrupt officials and heavy burden of land revenue resulted into revolts by peasants leading to low tax collection. • The nobles became more powerful and started establishing independent states. • Aurangzeb remained in Deccan for almost 20 years, which gave an opportunity to governors to establish independent states. 	5	5	Pg127
14	<p>The main features of consumerism are as follows-</p> <ul style="list-style-type: none"> • A consumer must be aware of his/her rights and should protect his/her rights. • He/She should raise voice against exploitation. • He/She should seek redressal of his/her complaints. • Government laws must protect the interest of the consumer. • Business houses must adopt a code of conduct for regulating their activities. 	5	5	Pg179
