Important safety measures and school operations during Flood season

**Dear Parents,**

**Warm Greetings,**

1. We hope that you all are safe and in good health. We would like to emphasize the importance of safety during floods and inform you that our school will remain close till government order and information further.
2. Our primary concern is well being of the students. We will try to upload and post messages in WhatsApp group. Even lesson notes notes etc will be send as we understand the significance of an interrupted education.
3. If you have any concerns or questions, please feel free to reach out to your class teacher or the school administration.
4. In the event of a flood, stay calm follow instructions from the school authorities and cooperate with your teachers and fellow students.

Let's work together to prioritize safety while continuing our educational journey.

Stay Safe

Regards

Principal
